Personal Statement **WILL YOU SUPPORT IT TOO?**
 The Houston Area Women's Center helps individuals affected by domestic and sexual violence in their efforts to move their lives forward. Funds raised through the Race Against Violence support the Center's 24-hour hotlines, offering a lifeline to those suffering from abuse or recovering from sexual assault. They also fund individual and group counseling sessions that help survivors move their lives forward. They ensure that women and children escaping violent homes have a safe place to sleep, and so much more.
