

Stewards of Children

Keeping our children safe

What is Stewards of Children?

Stewards of Children® is a prevention training that teaches adults how to prevent, recognize, and react responsibly to child sexual abuse. It is the only nationally distributed, evidence-informed program proven to increase knowledge, improve attitudes, and change child protective behaviors. This training uses a practical, five-step approach to prevention and response that enables adults to protect the children in their lives.

Join us for an upcoming
Stewards of Children®
training at the:

Lenape Valley
Foundation, Bristol

Tuesday, June 18, 2019

6:00-8:00pm
